**GUUS JORIS BOUWENS**

has successfully completed the online, non-credit Specialization

## **AI in Healthcare**

Artificial intelligence (AI) has transformed industries around the world, and has the potential to radically alter the field of healthcare. In this specialization, we discuss the current and future applications of AI in healthcare with the goal of learning to bring AI technologies into the clinic safely and ethically. This specialization is designed for both healthcare providers and computer science professionals, offering insights to facilitate collaboration between the disciplines.

Nigam H. Shah, MBBS,  
PhD  
Associate Professor of  
Medicine (Biomedical  
Informatics)

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
